

Michigan Jews for Democracy

We are Michigan voters. We are proud American Jews, committed to the safety and flourishing of the Jewish community, and our nation's democracy. We come from a wide range of the political spectrum, and we intend to vote for Dr. Abdul El-Sayed for the United States Senate in 2026.

Some of us are enthusiastic supporters of El-Sayed. Some of us have reservations: there are disagreements with El-Sayed on important issues, including aspects of his approach to Israel and the language used by some of his allies. These concerns remain serious for many of us, and we will vote for El-Sayed.

And we understand that a vote is not a valentine; it's a strategic chess move.

Our goal is to reinstate a check on Trump's power by winning back control of the US Senate. We aim to have a strong and respected voice at the table, when it comes to shaping policies that affect the lives of Jewish Michiganders.

As Jews and Americans, we believe in accessible science-based healthcare, democracy and voting rights, access to abortion, public schools, immigrant justice, and the rigorous protection of vulnerable residents. We are excited to elect a Senator who will champion these values.

In this race, Abdul El-Sayed is clearly the better choice for Jews, for all Michiganders. In Abdul, we see someone who understands what it is to live in the minority, who is open to listening and learning.

While Mike Rogers may be courting Jewish support to win in November, he embraces a far-right political agenda which we believe makes Jews and all Americans less safe. He promotes and would further legislation supporting election denialism, a national ban on abortions, making access to healthcare even more difficult than it already is – among so many other harmful policies. He fully supports the role of Donald Trump and the MAGA movement in American public life.

After weighing the candidates – their records, their policies, the coalitions they would strengthen, and the direction we want for Michigan and the country — we have made our choice.

We are Jewish Michiganders. In this Senate race, we are voting for Abdul El-Sayed.
